

**Windthorst Elementary
Home and School Compact
2019-2020**

Windthorst Elementary is committed to providing the best education possible for each of our students. It is our goal to give every child the opportunity to reach his/her full potential in intellectual, emotional, and physical growth. We know that learning can take place if there is a combination of effort, interest and motivation on the part of the school, the home, and the community, working together toward that end.

This compact is a voluntary agreement and a promise of commitment to help your child be successful in school. We believe that this agreement can be fulfilled through our team effort.
