The District has no obligation to guarantee assignments. Substitute staff members' names may be removed from the roster if they fail to meet the expectations required of the position.

Campus Secretaries call substitutes as needed. Substitutes will be called as soon as possible.

Long-Term Substitutes

Long-term substitution refers to a situation in which a person substitutes for the same teacher in the same assignment for more than thirty (30) consecutive days. Long-term substitutes are involved in planning for instruction and evaluation of students. They are expected to attend faculty meetings, in-services and staff development meetings, as well as other responsibilities assigned to permanently employed teachers.

The following provisions apply to those substitutes engaged in a long-term assignment:

- Work thirty (30) consecutive days; long-term status begins on the **thirty-first day (31st)**.
- Pay as a long-term substitute is retroactive to day one of the assignment.
- Rate: \$100.00/day

*The Department of Labor has determined that substitute teachers whose primary responsibility is teaching the same subjects as the everyday teacher for whom they substitute are exempt under the FLSA.

Paraprofessional Substitutes

There is no "long-term" substitution for paraprofessionals.

A substitute position is strictly a part-time, at-will position. Please see Substitute Eligibility for Health Insurance Coverage on page 14 for more information.

WISD Employee Dress Code

In general, employee dress should be moderate and express employment in a public school. Employees should set themselves apart from students by their choice of clothing.

Jean Day Dress Guidelines

Jean Day will be on Fridays at WISD during the school year. Employees may wear jeans if the following guidelines are followed:

- Jeans, which are clean, neat, and in good condition.

PROFESSIONAL ATTITUDE

The substitute has a professional obligation even though he/she is not a regular teacher. Extreme caution should be used in expressing personal reactions and derogatory opinions about activities in the classrooms of the various schools. If there is a problem, a practice or a policy of the school with which you disagree, or a suggestion you wish to make, the principal of the school is the person to whom comments should be directed. The principal is the person to take proper actions to solve problems or explain fully all the details of whatever is questioned. An individual child's education progress is the confidential information of the staff of the school just as is a medical case with a doctor. It is not to be

discussed outside the school. It is unlikely that you will encounter serious discipline problems. It is our belief that when children are involved in relevant and interesting activities, undesirable behavior will be reduced to a minimum. Questions or concerns regarding student management should be directed to the campus principal. The substitute should NOT attempt to restrain a student or become involved in a verbal confrontation at any time. The substitute is responsible for seeking assistance from another teacher or administrator if a negative situation begins to escalate.

HINTS FOR SUCCESSFUL CLASSROOM MANAGEMENT

1. Start the day out quickly, firmly and concisely. Be pleasant. Appear confident. Let the students know “anything doesn’t go.” The substitute teacher’s first words and actions usually go a long way to set the day’s discipline. You must command respect with your actions.
2. Get the students busy at the beginning of the day. **KEEP THEM BUSY!**
3. Problems might be eliminated if questions are phrased so only one student will answer or so children will raise their hands. For example:
 - a. “Raise your hand if you can tell me where the attendance folder is.”
 - b. “Raise your hand if you know the names of absent children.”
 - c. “John, where is the handwriting paper?”
4. Students are likely to say: “This is not the way our teacher does it.” Tell them at the beginning: “Don’t worry if I don’t do things exactly the way your teacher does. There is usually more than one good way, and a change can be fun for you.” However, children often feel more secure when they follow an established routine, so try to hold to the time schedule and other “anchor” routines.
5. Complement things in the room (if applicable) and inquire about the things around the room, especially if they look like student projects.
6. Put conversations and discussions on the students’ level, but do not talk “down” to them. Involve the students.
7. With any group, an effective substitute teacher will:
 - a. Smile
 - b. Be friendly
 - c. Show enthusiasm
8. Know the students’ names. Pick out the “disruptive children” and have them help you — even the smallest task can put them on your side.
9. Remain calm and relaxed. Don’t lose your “cool.”

10. Maintain established routines as much as possible.
11. **BE POSITIVE!** Try and see that every student has some success or praise each day. Just a pleasant word or an appreciative smile works wonders.
12. Firmness is important. Children need to know you **can and will** control any situation. **BE FIRM, BUT KIND!**
13. Keep students busy and engaged on-task.
14. Seek assistance from another teacher if difficulties or questions arise during the school day.

Attendance Reporting Procedures

- * If the student comes to your class **more** than 10 minutes late, circle "A" and make a note on the form: "More than 10 minutes late."
- * Turn in any absence/tardy notes the students give you to the Attendance Clerk at the same time the attendance sheet is collected.

Substitute Eligibility for Health Insurance Coverage

Windthorst ISD provides health coverage to employees through TRS-ActiveCare. A district substitute is eligible to enroll in TRS-ActiveCare if the district reasonably expects the substitute to work at least 10 hours per week. Hours worked for other school districts are not considered in determining whether a substitute is eligible for benefits through Windthorst ISD.

Although the district reasonably expects most substitutes to work at least 10 hours per week, the district does not guarantee that you will receive 10 hours every week. The district's need for substitutes varies from week to week. In some weeks, you may not receive any assignments. Similarly, the district understands that some weeks you may not be able to accept assignments due to illness or other personal reasons.

All newly hired substitutes must enroll in or decline medical coverage within 31 days from date of hire. Returning substitutes must enroll in or decline medical coverage during the annual open enrollment period every August. If you decline coverage, you cannot enroll again until the next plan year, unless you experience a special enrollment event.

If you elect to enroll, you will be responsible for the full premium. You must submit payment for one calendar month with your enrollment form. The premiums for subsequent months will be deducted from your pay for the preceding month. If your pay is not sufficient to cover the full premium, you must submit the difference to the district by the last day of the preceding month. If the last day falls on a weekend or a day the district is closed, the payment must be made the preceding business day. If you fail to timely pay the monthly premiums, the district will proceed with the coverage cancellation process. Your coverage may also be cancelled if you lose eligibility for TRS-ActiveCare.

You may be removed from the district's substitute roster for poor performance or misconduct. In addition, you may be removed from the substitute roster if:

- you repeatedly turn down assignments, are repeatedly unavailable for calls, or frequently cancel assigned positions
- you do not accept at least 5 offered assignments per year
- you do not timely return a letter of reasonable assurance

A substitute who is enrolled in TRS-Active Care and who is then removed from the substitute roster becomes ineligible for health coverage and will be provided notice regarding continuation coverage under COBRA (if eligible). Cancellation due to non-payment is considered a voluntary drop: Therefore you would not be eligible for COBRA. Please print out this form, check the appropriate choice, complete and sign the form and return to your campus or department secretary for collection by HR.

____ I respectfully decline the offered Health Insurance.

____ I wish to enroll for the Health Insurance. (Please contact Juhree Vaughn in the district's Administrative Office, 940-423-6688, to enroll)
