Re: Cafeteria Procedure

---

PRICES OF BREAKFAST 1.50 OR .30 REDUCED

PRICES OF LUNCH 2.55 OR .40 REDUCED

Please be aware of the Cafeteria Procedures, a family is allowed to charge up to 50.00 dollars, after that your child or children will receive an alternative lunch. Your account will still be charged the regular price of the meal being served (breakfast or lunch).

Please try to keep your account current, it is very hard sometimes for families to play catch up, and please remember it is very hard for these young children to understand why they are receiving a different meal.

At the first of each month if the family account is less than \$20.00, a reminder letter is sent home with your child or for older students mailed to the home.

If you will e-mail me at [syndi.humpert@windthorstisd.net](mailto:syndi.humpert@windthorstisd.net) and give me your e-mail address, I will e-mail your cafeteria balance several times a month or at your request. Also, at your request I can print a report that shows what activity has occurred on the account.

You also can take advantage of our ONLINE PAYMENT SYSTEM. Please contact me if you would like to take advantage of this payment option.

Also, with some families doing remote learning this year, we will offer breakfast and lunch to those students. Please email or call me so we can set up times you can come pick up your meal for your child or children.

If you have any questions regarding this notice please contact me at (940) 423-6644.

Thank You,

Syndi Humpert

Cafeteria Director
