Checkout Policies

Pre K & Kindergarten

May check out 1 book for one Week

1st - 5th Grade

May check out 2 books for one week

6th - 12th Grade

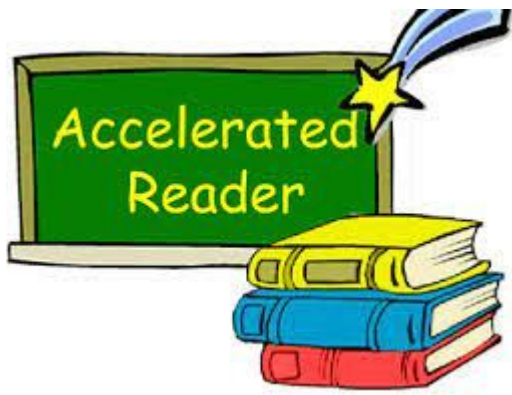

May check out 2 books for 2 weeks

Late books will be fined \$0.10 a day

Every student has the opportunity to come to the library once a week to check out books. We encourage each student to read and hope to instill the life long love of reading in each one.

Accelerated Reader Program - (AR)

Accelerated Reader is a computer based reading comprehension program. Students take a test over the books they have read and earn points based on their reading comprehension test score.

We will continue the AR incentive program this year. For students 1st - 5th grade. Students can earn "Brag Tags" to put on a necklace/keychain based on the number of points that they earn during the school year. When your student earns 50 points, their picture will be displayed on the Library TV. Additional prizes will be given as they earn more points during the year.
