Glass Blowing Trip

The Wichita Falls Arts Council invited some students and teachers from Windthorst to take part in an opportunity to let their artistic capabilities be on full display. They got to make their own glass art from scratch with some help from Carlyn Ray Designs glass artists. This is a part of the "Art Reaching Out" program and Windthorst is very thankful to Kristine Thueson and Cassie Erazo for this amazing opportunity.

TEACHER FEATURE

*Lori Jech
5-12 Band and
Music*

Our teacher feature for the week is our new band teacher Mrs. Jech. She grew up in Oklahoma and got her Bachelors degree in music education from the University of Oklahoma. She also has a Masters Degree in Curriculum and Instruction. She has taught in many Oklahoma public schools and served as Director of Religious Education for Assumption of the Blessed Virgin Mary Catholic Church in Duncan, Oklahoma before moving to Wichita and assuming the role of Director of Religious Education at Sacred Heart. Her children attended Notre Dame Catholic School before the shutdown and that is when she toured Windthorst.

"I fell in love with the school and the community." That is how she described her tour of the school. She says that the study of Music and Fine Arts enhance the development of the whole person. She describes the study of Music as a way to study beauty which cannot be expressed in any other way. "Fine Arts students also learn how to master self-discipline, integrity and honesty, and service to one another because of the relational aspect of learning how to make music not just as individuals, but as part of a family."

CHEMICAL WARFARE

Stephanie Schenk's 8th grade science class battled it out on the high seas to sink each other's ships in a creative spin of the iconic board game Battleship. They used the periodic table as their battleground and had a blast reviewing chemicals and vocabulary.

NHS'S FIRST ORDER OF BUSINESS

The Windthorst NHS held a Bake Sale on September 4th during JH volleyball games with Archer City. Donations were accepted to support Brookdale Midwestern's Walk to End Alzheimer's. Through the generous donations of both Windthorst and Archer City communities, they were able to collect \$702. On September 27th, Stephanie Veitenheimer from Brookdale Senior Living and a bus load of residents came to WHS to visit with the NHS members and to collect the donations. The NHS President proudly handed off the donations to Mrs. Veitenheimer. Thank you to all who donated and supported this worthy cause!
