## Home of Champions

### Trojans Presented Special Flag

During last week's pep rally, Sgt. Benny Garcia presented the Trojan football team with a Windthorst flag that was flown in Iraq. Sgt. Garcia told the Trojans that this flag was flown overseas while he was deployed in Operation Inherent Resolve in 2022. He and his battalion watched the Trojans play each Friday night and he spoke of how this uplifted their moral. Thank you, Sgt. Garcia, for your service and for honoring Windthorst ISD with such special gift.
