Home of Champions

Homecoming Festivities

Homecoming week was filled with festivities and school spirit. Campus-wide we had an excellent showing on all dress-up days, from class colors to Adam Sandler day. To round off the week, the Homecoming Court was escorted out by the seniors on the football team.

Musical Excellence

The Big Blue Band from Trojan Land earned a Superior Rating at the UIL Region 7 Marching Competition on Saturday, October 14 at Memorial Stadium in Wichita Falls. They were one of only 3 Class 2A bands to earn a Superior Rating and one of 12 Class 2A bands who will compete in the Area Competition to be held Saturday, October 21 in Mineral Wells. They had an outstanding performance both marching and playing and received many wonderful critiques from the three judges. They also received excellent suggestions for improvement as they work for the Area Competition next week. "We are so appreciative of the school and community support that we have received this year! It means the world to us!" stated Mrs. Jech.

Parade Pictures

The Windthorst band marches on, kicking off the parade.

The Trojans shine bright like diamonds being cheered on as they make their way across the parade.

Some of the Windthorst girls used their float during the parade to support Lexsey McLemore.

THIS WEEK IN SPORTS

HS Football

The Trojans got their fifth win of the year last Friday night, beating the Munday Moguls by a score of 56-0. Brock Belcher threw for 241 yards and threw five touchdown passes. He also rushed for 92 yards. Kolby Teakell caught three passes for 107 yards and a touchdown. Kasen Wiles caught two touchdowns for 44 yards. Cash Armstrong rushed for 54 yards. The Trojans travel to Archer City to take on the Wildcats this Friday night at 7pm.

The JV Trojans lost 14-20 to Alvord.

JH Football

The Spartans traveled to Munday on October 12th and came home with two wins. The 7th Grade beat Munday 22-6 and improved to 3-3 on the season. The 7th grade will be off during the Archer City week because Archer City only has one Junior High team. The 7th grade will have two games left in their season. The 8th Grade won 42-28 over a previously undefeated Munday 8th grade team. The Spartans are now 4-1-1 on the year.

Volleyball

The Trojanettes brought their district record to 7-0 with their victory against Petrolia on Monday. This was a happy ending to a somewhat sad occasion, as this was the last volleyball game the senior girls would play on their home court. They remained perfect in District, not dropping a single set to an opponent. They have a big district matchup against Archer City this Friday in Archer City. This game concludes district play.

Parents escorting their senior volleyball players Saige, Annikah, Bri, Abby and Riley.

Trojan Thoughts

We asked a few students

"If you could be any superhero, who would you be and why?"

"Spider-Man, because he can shoot webs." - Mack Allison 4th Grade

"Hulk, because he smashes cars." - Grayson Hobbs Kindergarten

"Wonder Woman, because she is a woman- Kaia Lafaele 7th Grade
